

# HTC SUPERFLOOR™ **CONCRETE LOVE** FOR AIRPORTS

**IT'S BRILLIANT!**

Is it possible to love a grey and cold concrete floor? Just give concrete a chance and you will find a strong and beautiful flooring material. HTC Superfloor™ is a revolutionary grinding and polishing concept which is also a good environmental choice. You will discover a shining, easily maintained super strong floor. You will find a treasure that was always hidden and has just been waiting to be refined. HTC Superfloor™ is a floor worthy of love. Yes, *it is* possible to love a concrete floor.
